Aberdeen, Scotland

### PROFILE

Experienced professional with expertise in web development and a diverse range of technical skills within a workshop environment. Seeking a new challenge and transition into a new career path where I can apply my strong foundation in web development and versatile technical abilities to drive success.

### EXPERIENCE

#### 2023 – ROBINSONS BODYSHOP

- Team leader of new workshop operations
- Operation of CNC alloy wheel lathe, spray painting powder coating

#### 2019 – 2023 MARX VEHICLE PAINT & ALLOY CENTRE

- Operation of CNC alloy wheel lathe, spray painting powder coating
- Increased companies production capacity, which at that time became biggest in Aberdeen area.
- Set three turnaround records of the company.

#### 2015 – 2019 JOHN CLARK MOTOR GROUP

- Operation of CNC alloy wheel lathe, spray painting.
- I played the key role in helping John Clark to become one of the biggest wheel refurbishment workshops in Aberdeen at that time
